The accessibility of this tourism resource has been analyzed by experts

General Information

O Museu Municipal de Castro Daire está localizado no centro da vila de Castro Daire, instalado em parte do piso térreo da Casa da Cerca, imóvel do século XVIII. O seu acervo museológico é constituído por coleções de objetos essencialmente etnográficos e arqueológicos. Estão expostas alfaias agrícolas, figuras e louça de barro negro do Mestre Zé Maria de Ribolhos, tamancos, capucha de burel, caroça, cestos de breza e de verga, carro de vacas, objetos relacionados com o ciclo do linho e pisoaria, entre outros; estes são testemunhos de artes e ofícios que se perderam ou que vão sobrevivendo graças à persistência de alguns artesãos.

Entrance

Entrance: Inclined plane / ramp

Ramp information

The slope makes the ramp : Can be used with help from another person

✓ Name of the tourist resource clearly visible and legible

The entranceway analysed is: The main one

Width of the entrance door: Greater than or equal to 78 cm
